CLARK GARDENS™

In 2003, after a long and successful NHL career, Wendel Clark built a hockey fan's dream come true; his very own personal rink. This absolutely amazing rink is half the size of the famous Maple Leaf Gardens rink. The indoor arena is complete with regulation ice and boards, NHL lighting, team benches, dressing areas, an enclosed lounge and a viewing area. The lounge and viewing area are appointed with flat screen TV's, a fireplace, a nostalgic photo gallery and even a zamboni to clear the well-played ice. Located in his own backyard, Wendel proudly shares this spectacular venue with family and friends. Now, you have the once in a lifetime opportunity to experience the thrill of Clark Gardens, and all it has to offer you and your guests.

Transportation

Your day will begin when you board the private bus that will take you to Wendel's home. Embarkation will take place at an agreed upon location, and from there you will begin the scenic drive to Wendel's home. His home is tucked away amid tall trees and meandering hillsides, so please take the time to enjoy the view during this portion of the drive.

Upon Arrival

Wendel and the Jackson Events representatives will greet you upon your arrival. Each guest will be put into pre-assigned teams. At this time, Wendel will present to each person in attendance his or her very own authentic autographed Toronto Maple Leafs jersey. Once the teams have been determined and everyone has received their jerseys it is time to suit up in the dressing rooms.

The Game

The format will be 3 on 3 with Wendel rotating throughout the teams during the day. Thus each person will have an opportunity to play on Wendel's team as well as opposite him. Each game will consist of two 15-minute periods. The teams will compete in two games apiece. Please note, that the loosing team, including its Captain, will be responsible for "cleaning the ice"! The two losing teams will compete for 3rd place while the two winning teams will play off for the Cup Championship. (The plaque could read, "insert your company name here" Cup Championship")

The Goalies

Jackson Events will supply a goalie for each side and said goalies will rotate between each team throughout the event. (If you have someone who plays goal and would like to supply your own goalie, feel free to do so…just let us know in advance)

Catering and Refreshments

There will be nothing like hanging out after the tournament and feasting upon a variety of pub style foods, served hot and fresh. You and your group can enjoy Wendel's company, the fire and the flat screens while sipping on a cold beer and sharing some laughs over the day's highlights.

Championship Cup Presentation (Bragging Rights for a Year)

Wendel Clark will present the "Championship Cup" to the winning team while the catering and refreshments are being enjoyed. The winning team will own the bragging rights until the challenge is dropped for a rematch. This event could easily become an annual tournament where the coveted "Championship Cup" gets displayed proudly at the workplace.

Recommended Number of Participants and Format

We recommend that you have at least 24 participants take part in this day. This will allow for 4 teams of 6, thus permitting some rotation during the 15-minute periods.

Cost: $20,000.00 ($833.00 per person based upon 24 participants, as described above) plus GST.

Value Added Options:

Additional Celebrities

There is no doubt that the addition of a celebrity to each team will bring this already exclusive event to a higher level. If this is an option that you would like to consider, please speak to your Jackson Events representative about bringing some extra NHL Alumni players in for the day.

Photographer

Of course random photos are permitted throughout the event, however, if you would like to bring in a professional photographer we can arrange that. A group photo with you, your group and the celebrities can be taken and mounted "memorabilia style" with pins and plaques. This would be a phenomenal give-a-way gift to provide to your guests.

Additional Guests

You are welcome to bring up to 12 additional guests who may not be interested in participating in the hockey, but who would like to take part in the social aspect of the day. Costs will be dependant on the number of extra jersey's required and a catering charge will apply.

Extra Jerseys or Signed & Framed Memorabilia

You may be interested in purchasing some additional memorabilia as gifts for those in attendance or for those who could not make it to the event. We would be very happy to arrange an advance personalized signing session with Wendel. Your customized memorabilia will be prepared for you and pre-framed; ready to take home after the event.

Corporate Signage

We can arrange to have your corporate signage displayed on the boards around the ice and in the entranceway of Clark Gardens.
